Minutes of the Annual Meeting - 1985

The annual business meeting of the Goethe Society of North America was held on Saturday, 28 December 1985, 4:00 p.m. in the Illinois Room of the Marriott Hotel in Chicago. President Victor Lange presided.

The minutes of the 1984 meeting were approved as read. The Board of Directors was confirmed for 1986 by acclamation.

The membership voted unanimously on a motion to have the Board of Directors confirmed for a period of three years after 1985. The confirmation of the Board of Directors is to coincide with the elections of the officers of the Society, as soon as the new by-laws are approved.

President Victor Lange reported on the activities of the Goethe Society over the past few years. The Society has been recognized as a viable organisation by various institutions in the United States and abroad. However, there is no reason for complacency, because the membership is still relatively small. The new English Goethe edition, published by Suhrkamp in Boston, may provide new interest in Goethe in the United States.

The Treasurer's Report was received and approved by acclamation. Yearbook editor Thomas P. Saine reported on the publication of Goethe Yearbook 3 and requested manuscripts for volume 4.

Gerhard Weiss, chair of the ad-hoc committee appointed to review the by-laws, reviewed some of the suggested changes and distributed a draft revision. The following discussion showed that the membership supports the recommendation of a simple slate of candidates, and not two (2) candidates running for each office. This slate is to be nominated by a nominations committee, appointed by the president. Otherwise, the projected by-laws of the Society proved to be troublesome in some areas which require further clarification. It was decided that the business meeting is not the best place to rewrite the by-laws and that this issue be presented for final discussion at the business meeting in 1986, before the by-laws are sent out for final approval to all member.

Clark S. Muenzer, chair of the associated meeting of Goethe Society at the MLA Convention in Chicago, announced the titles of papers of the session on December 29, 1985. It was agreed again that the two chairs of the GSNA sessions at the 1985 MLA, Gloria Flaherty and Clark S. Muenzer, would identify chairs for the 1986 meeting.

The meeting was adjourned at 5:00 p.m.
